Mother Cabrini Feast Day

The memorial for St. Frances Xavier Cabrini, known as Mother Cabrini, will be celebrated on Saturday, November 13. She was an Italian-American sister, who founded the missionary Sisters of the Sacred Heart, to care for the poor children in schools and hospitals in Italy. Pope Leo XIII asked Mother Cabrini to go to the United States to serve the needs of Italian immigrants. In 1889 she arrived in New York City with six sisters to begin their ministry. During the next 35 years, Mother Cabrini and the sisters created 67 institutions throughout the United States, which included orphanages, schools and hospitals to care for the poor, immigrants and the sick. In this time period, her order had grown to over one thousand sisters. In 1909, Mother Cabrini became a naturalized citizen of the United States. She is the first U.S. citizen to be canonized a saint. Mother Cabrini is the patron saint of immigrants and hospital administrators.
