Solemnity of the Blessed Virgin Mary

Today is the Commemoration of the Solemnity of the Assumption of the Blessed Virgin Mary, which honors the Blessed Mother being taken up, body and soul, into heaven. This dogma was defined by Pope Pius XII and proclaimed by the Holy Church in 1950. It states, "Finally the Immaculate Virgin, preserved free from all stain of original sin, when the course of her earthly life was finished, was taken up body and soul into heavenly glory, and exalted by the Lord as Queen over all things, so that she might be the more fully conformed to her son, the Lord of lord and conqueror of sin and death."

(Catechism of the Catholic Church, 966)

Saint Pope John Paul II describes the Assumption of the Blessed Mother as "an event of love, in which Mary's ardent longing to be with her Son was finally fulfilled." This special solemnity serves as a model for our own desire and destiny as disciples of Christ to be with our Lord in eternal happiness in His Heavenly Kingdom.

On this special day, may we always ask Our Blessed Mother to pray for us. "Remember, most loving Virgin Mary, never was it heard that anyone who turned to you for help was left unaided. Inspired by this confidence, though burdened by my sins, I run to your protection for you are my mother. Mother of the Word of God, do not despise my words of pleading but be merciful and hear my prayer. Amen."
