Deacon’s Corner

This week we celebrate the **First Week of Lent**. As we begin this journey of prayer, sacrifice and alms giving, we need to remember that God is walking with us. We are not alone. Let us turn to God and ask for His help. We need His guidance and protection. When we are tired or ready to give up or give in, turn to Our Lord in prayer for encouragement and help.

Lent is also a time to renew the bond of love and charity that unites us as a Christian faith community with our families, neighbors and parish. We can take care of others by visiting our neighbors who are sick and elderly, making more time to be with our families or donating time and/or resources to worthy charitable efforts. This renewal of bonds of love and mercy with others is not a feeling but must be lived and offered in practical ways by serving others.

During this week, may we pray, Loving God, I hear your invitation, “Come back to me” and I am filled with such a longing to return to you. Show me the way to return. Lead me this day in the good works I do in your name and send your Spirit to guide me and strengthen my faith. I ask only to feel your love in my life. Amen.
