## Deacon's Corner

The Memorial for St. John Bosco, Priest, will be celebrated on Wednesday, January 31. St. John was born in Becchi, Italy, in 1815. He was ordained a priest and in 1869 established the Society of St. Francis DeSales, also known as the Salesians. This order, which exists today, does charitable work with children around the world. St. John began a ministry for poor boys and orphans to teach them a trade during the day and to give them instructions in the faith during the evening.

One day in 1846, he was celebrating Mass in a small church filled with 360 young men. When the time came for Holy Communion, he went to the tabernacle to remove the hosts. To his surprise, he discovered that only eight hosts were reserved there.

The saint removed the eight hosts from the tabernacle and began distributing Holy Communion. The young altar server, Giuseppi Buzzetti, followed the priest with the paten. He was amazed to watch as the ciborium miraculously filled up with hosts which allowed everyone to receive Holy Communion. God sends miracles like these occasionally to remind and assure each one of us that nothing is impossible for God.
