### **The Month of May**

The month of May is dedicated in a special way to honor and seek the intercession of Mary, the Mother of God, and the Mother of the Holy Church. In *Gaudete et Exsultate*, Pope Francis explains, "She is that woman who rejoiced in the presence of God, who treasured everything in her heart, and who let herself be pierced by the sword. Mary is the saint among the saints, blessed above all others. She teaches us the way of holiness and she walks ever at our side. She does not let us remain fallen and at times she takes us into her arms without judging us." Our Blessed Mother serves as a model of deep faith and untiring service. She is our model who shows us how to love and trust God and how to be faithful witnesses of the Risen Lord. May we learn from her and may she guide and intercede for us in our journey of faith.

During this month of May, let us take the time by praying the rosary, reading a religious book about Our Blessed Mother, placing a flower before a statue of the Blessed Mother, praying the litany of the Blessed Virgin Mary or praying a novena to the Immaculate Heart of Mary. Through our actions and words of charity, may we also find ways to show our love for her by bringing kindness and peace into the world.
