TAKE ON THE CHALLENGE FOR LENT

Deacon's Corner

Second Week of Lent

Lent is a time to change our lives and to become closer to Jesus Christ, Our Savior. With God's grace, it is a time to change or develop new ways and behaviors so that after forty days of Lent we can continue to practice these virtues in our daily lives.

What is your specific goal or plan during this Lenten season? What are you trying to achieve in your spiritual life to build a closer friendship with God? The establishment of a spiritual goal is important to make so that with God's help we can work toward this objective. Take time in quiet prayer and reflect about what Our Lord is asking you to do or change. Also, by going to confession, we can examine our conscience and through sincere repentance come to discover areas in our lives that we need to improve or change.

Is it to spend more time with God in prayer, at Mass, in confession, or reading Holy Scripture? Giving thanks daily to God for His goodness? Offering words of encouragement to others? Finding ways to serve people around you? Forgiving someone? Trusting God in difficult or challenging times? Throughout all these times, God is with us and will help us because He always loves us.

In prayer, may we ask Our Lord, what can I do this Lenten season to make myself your true disciple and carefully listen for His voice.
