Deacon's Corner

St. Philip Neri, Priest

The memorial for St. Philip Neri, Priest will be celebrated on Friday, May 26. Born in 1515 in Florence, Italy, Philip was a cheerful individual who was a member of a wealthy business family in Italy. One day, as he was praying, he received a mystical vision, an encounter with Our Lord. This event dramatically changed his life as he left the family business and turned to God and the Holy Church.

He studied philosophy and theology at the St. Augustine monastery. St. Philip helped the poor of Rome and evangelized the people. He went to the street corners and the public squares to meet and talk with others about Jesus. He loved the Gospel and found many ways to help people find ways to know the Lord. He found the Confraternity of the Most Holy Trinity, a group of poor lay persons, to help those in need with their spiritual and human needs.

Later in life, St. Philip was ordained a priest in 1551. His ministry was dedicated to hearing the daily confessions of people from the early morning hours until late in the night. He spent many hours of the day in prayer. St. Philip was always around for the people and available to them in his priestly ministry.

St. Philip Neri is the patron saint of humor, Rome, and U.S. Special Forces. In his own words, may we pray as he advised us to do, "Be humble and obedient and the Holy Spirit will teach you."
