DEACON'S CORNER

On Saturday of this upcoming week, we will celebrate the birth of Our Lord Jesus Christ, which occurred over 2,000 years ago. It was a simple scene that first Christmas – a stable, a young couple, and nothing but a feeding trough to place the child in. And yet, this rustic scene marked the greatest event in the history of humanity – the birth of Jesus, Our Savior. This day and all the days of our lives, He comes in love to meet each of us where we are in our lives in our journey of faith.

Our Savior comes so that we can know and experience what real love is – a love that never leaves, a love that never disappoints, a love that is all embracing – a perfect love. In our lives, Jesus asks us to open our hearts and to share this love with Our Lord and with one another.

May this miracle of Christmas continue to take place in our hearts. At this first Christmas, the most amazing Gift came wrapped in swaddling clothes and lying in a manger. The Gift was more than a baby. It is the Gift of Life itself. This Gift of Christ raises us up to share in God's Divine life for our eternal salvation.

Have a Blessed and Merry Christmas.
