DEACON'S CORNER

Deacon's Corner – Mother's Day

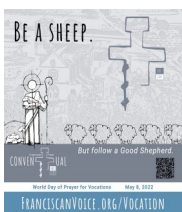

On Sunday, May 8, we celebrated Mother's Day. We pray for our mothers both living and deceased and for the sacrificial love that they offer us throughout our lives. A story highlights a unique example of this maternal and beautiful love.

On Sunday, August 16, 1987, Northwest Airlines flight 225 crashed just after taking off. One hundred fifty-five people did not survive. One survived with injuries: a 4-year-old named Cecelia. Accounts in the news said that when rescuers found Cecelia, they did not believe she had been on the plane. Investigators assumed Cecelia had been a passenger in a car on the highway where the airliner crashed. But when the passenger register for the flight was checked, there was Cecelia's name.

"Cecelia survived because, as the plane was falling, Cecelia's mother, Paula, unbuckled her own seat belt, got down on her knees in front of her daughter, wrapped her arms and body around Cecelia, and then would not let her go." Like all mothers, she was a mother who sacrificed her life and showed the love of God to her child.

Mother's Day Prayer

Heavenly Father,
We lift up all mothers today and
thank them for their guidance and love.
We ask You to bless them
with Your own special love, today and always.
Amen.

World Day of Prayer for Vocations will be observed on Sunday, May 8, also known as "Good Shepherd Sunday." The purpose of this day is to publicly fulfill the Lord's instruction to, "Pray the Lord of the harvest to send laborers into his harvest" (Mt 9:38; Lk 10:2). Please pray that more young

men hear and respond generously to the Lord's call to the priesthood and religious life, especially to the Franciscan Friars Conventual. Know a young man who you believe would make an awesome friar? Tell him that! And identify the specific gifts you see in him!

Interested in becoming a Franciscan Friar?
