St. Rose Philippine Duchesne

A saint that we might not be familiar with is St. Rose Philippine Duchesne. The Church in the United States celebrates her optional memorial on Friday, November 18. Born in France in 1796, St. Rose became a sister in the Society of the Sacred Heart. She was sent to the U.S. and founded a boarding school for the daughters of pioneers near St. Charles, Missouri. This school was the first free school for girls west of the Mississippi River.

Throughout her life, St. Rose had a deep desire to serve the native American population in the West. She established a school at Sugar Creek, Kansas for the Potawatomi tribe who had been displaced from their ancestral lands. The children of this school called her "the woman who is always praying." During her ministry on the frontier, she confronted many challenges including poor living conditions and the shortage of food and water. She had difficulty in learning the English language. Yet, with God's help, she persisted in serving the needs of those who were in need. St. Pope John Paul II canonized her in 1988.

May we ask St. Rose to pray for us, "St. Rose, you courageously persevered in your vocation despite the serious challenges in your life. With the Holy Spirit's help, may we persist in our lives as Christ's disciples, loving Our Lord and helping one another in charity and kindness.

Deadline for ordering your Christmas Wreaths and making reservations for the Breakfast with Santa is Monday, November 28. Please call the parish office to place your order and make your reservation.
