Dead Simple (Oldies)

Deacon's Corner

On Thursday, August 4 we celebrate the memorial of St. John Vianney, Priest. In 1805, at the age of 19, he entered the seminary to become a priest. After ordination, St. John was assigned to a small poor parish of 50 families in Ars, France. The people in this village were lax in their faith and caused trouble for Father John hoping that he would give up and leave. Rather, he persisted in his ministry praying and doing penance.

Eventually, by listening to his homilies and seeing his charitable acts, the people accepted St. John. After a few years, Father Vianney would spend 10 to 15 hours a day hearing the confessions of people. People throughout France and other countries came to him for confession and counsel. In fact, the government of France built a railroad to this tiny village to handle the volume of travelers.

Father Vianney had a devotion to helping the poor in the region. He sold all of his possessions and belongings to buy food and clothing for those in need. Father John was canonized in 1925 by Pope Pius XI. St. John is the patron saint of parish priests.

On his feast day, may we pray in thanksgiving for our parish priests who unselfishly minister to our needs as the people of God.
