Deacon's Corner

The memorial of Saint Pius of Pietrelcina, Priest, better known as Padre Pio, will be celebrated on Friday, September 23. St. Pius was known for his piety, charity and the gift of the Stigmata. Born Francesco Forgione, he spent his early years tending his family's small flock of sheep.

At 15, he entered the novitiate of the Capuchin Franciscan Friars. He took the name of "Pio" in honor of Pope Pius I. Padre Pio became a priest in 1910. In 1918, after celebrating mass, while saying a prayer of thanksgiving before the Holy Cross, he received the Stigmata, the wound of Christ which appeared on his hands and feet.

After receiving the Stigmata, Padre Pio rarely left the friary. However, each morning after Mass, he heard confessions and blessed the sick. This ministry lasted 10 hours every day because of the crowds coming to him. St. Pius had a love for the sick and the suffering. Through his support, a hospital of 350 beds was built in San Giovanni Rotondo.

Padre Pio was canonized a saint in 2002. He is the patron saint of adolescents, stress relief and civil service volunteers. Saint Padre Pio encouraged us, "Pray, hope and don't worry. Worry is useless. God is merciful and will hear your prayer."
