Deacon's Corner

The Memorial for Saint Teresa of Jesus will be celebrated on Friday, October 15. Saint Teresa was born in Avila, Spain in 1515. At an early age she entered the Carmelite Monastery. She devoted her entire life in reforming herself and the Carmelites. St.

Teresa established a new Carmelite community known as the Discalced (shoeless) Carmelites who practice lives of prayer and simplicity. She founded 17 convents and wrote four books on prayer and contemplation. Prayer was a central part of St.

Teresa's life.

In 1622 St. Teresa was canonized and in 1970 she was named a Doctor of the Church for her writing and teaching on prayer. Teresa is the patron saint of headache sufferers. On her feast day, let us pray *The Prayer of St. Teresa*, "Let nothing disturb you; Let nothing frighten you. All things are passing. God never changes. Patience obtains all things. Nothing is wanting to them who possess God. God alone suffices."
