Deacon's Corner

The Feast of the Dedication of the Lateran Basilica in Rome will be celebrated on Thursday, November 9. St. John Lateran is the pope's church and is the cathedral of the Diocese of Rome, where the Bishop of Rome presides. This basilica is where the entire Church is governed and the central place of worship for the world. An inscription in the Church reads, "The mother and head of all churches of the city and of the world. On this feast day, we honor the dedication of this important church to Christ the Savior in 324 by Pope Sylvester I and rededicated in 1724 after the final reconstruction.

This church is the spiritual home of all Catholics who are the Church. On this feast day, may we pray as a faith community for the Church – our local parishes, religious institutions, religious orders, dioceses, national conferences and the Universal Church in Rome.
