St. Augustine, Bishop and Doctor of the Church

The feast day of St. Augustine, Bishop and Doctor of the Church, will be celebrated on Monday, August 28, the date of his death. He was the son of St. Monica and was born in North Africa. He studied in the city of Carthage where he excelled in rhetoric and philosophy.

In his early life. He spent his time in worldly vices, but there was a dramatic spiritual change in his life. Through the prayers of his mother, St. Monica and the preaching of St. Ambrose, Augustine accepted Christianity. He was baptized by Ambrose at the age of 33.

After three years, he was ordained a priest. In the city of Hippo, he assisted the bishop and later succeeded him as the head of this diocese. He served 35 years as bishop. St. Augustine wrote several famous works, *The City of God*, which confronted the belief that the fall of the Roman Empire was due to the spread of Christianity. The other famous work is entitled, *Confessions*, which is his deeply personal and humble autobiography.

On this day, may we pray, “St. Augustine, please pray for me, that I will discover what you have discovered and imitate your conversion, holding nothing back from our merciful God. Jesus, I trust in
